 Procedure Other (specify):

TITLE OF CORRESPONDENCE: Announcement of State Fiscal Year 2010 (SFY 10) Intent to Fund and procedures for application for renewed funding from State General Revenue Funds (GRF).

NOTE: Please refer to Appendix A: Notice of Intent to Fund Table for a list of eligible applicants for the SFY 10 renewed funding process. Proposed funding is contingent on Ohio's approved biennial budget. Award amount may change as result of biennial budget approved.

CONTENT:

BLOCK GRANT and STATE BUDGET: SFY 2010 will be another challenging year for Ohio's Community Mental Health State GRF funded programs. ODMH's State GRF Allocation funds have been significantly reduced for Residency and Training programs.

In these serious and stressful economic times, mental health services and resources are even more essential as Ohioans face unprecedented loss of jobs, health insurance and homes. In partnership with our stakeholders we have looked critically at all aspects of our system and are committed to move forward in a way that best preserves vital services in our community. We have also used ODMH's core mission and strategic plan to help guide us in making these important funding decisions.

ELIGIBILITY: Applications for Funding pursuant to this Announcement may be submitted only by designated eligible applicants who received SFY 09 State GRF funds (see Appendix A. Notice of Intent to Fund Table). Selection for renewed funding is based on: adherence to priorities as defined by ODMH's Strategic Planning; The President's New Freedom Commission (NFC) Goal alignment; SAMHSA Transformation State Incentive Grant (TSIG) priorities; past performance as an Ohio Community Health Block Grant Award recipient; and, funding availability. Designated eligible applicants *include* institutions of higher education or hospitals licensed pursuant to section 5119.11 (Conduct collaborative training efforts for students.) of the Ohio Revised Code.

CONDITIONS: All eligible applicants for renewed funding must submit written applications in the format specified in this Announcement (see the table below). If the application does not meet the review criteria, ODMH reserves the right to make no sub-award, make a sub-award for a lesser amount, make alternative sub-awards for the specified project or make sub-awards for less than a full year. ODMH reserves the right to ask clarifying questions, issue conditional sub-awards, and negotiate a best and final application with one or more applicant(s). Failure to submit an application by the required deadline may result in rejection of the application. ODMH reserves the right to waive errors and omissions that do not materially affect the outcome of said application. Errors and omissions may result in lower evaluation scores or rejection of the application.

APPLICATIONS: Much of the information requested in the SFY 10 application is similar to what has been requested in the past. Applicants are required to complete the Performance Measurement Worksheet [Appendix 1] which describes the goals and objectives, activities, performance indicators/measures and the proposed impact on stakeholders, especially consumers with Serious Mental Disabilities(SMD)/Serious and Persistent Mental Illness (SPMI), children with Serious Emotional Disabilities (SED), family members and/or the public mental health system.

EVALUATION AND AWARD: Each application will be reviewed by the ODMH Division of Medical Director. Recommendations based on these application reviews, as well as fiscal and programmatic reviews of past performance and proposed budgets, will be forwarded to the ODMH Leadership Support Team (LST). ODMH will publish an updated Notice of Intent to Award on the ODMH web site based upon LST approval of program funding. Any appeal to this Notice of Intent to Award must be filed with ODMH by certified letter at the address provided, and must be received no later than **4:00 PM, June 24, 2009**. The Director of ODMH, in her capacity as chief executive and administrative officer of the department will make final grant sub-wards based on her consideration of the initial recommendations and, if applicable, information received relating to any appeals to the Notice of Intent to Award. The decision of the Director to award, modify or not-award is final, including the complete or partial acceptance or rejection of any appeal.

REQUIRED ACTION: Eligible applicants as listed in Appendix A must submit, by the required date, time and in the required formats, all information described in this announcement including completed: Application for Funding, including Appendix 1; Agreement and Assurances, including attachments 3-7 and any additional attachments sent by ODMH to those organizations by email.
