During this meeting, we will be seeking input on a new formula for allocating the 408 line item to be phased in between fiscal years 2010-2013. A draft presentation and allocation spreadsheet is attached. As you know, the Department held a similar meeting on March 6th where providers and consumers participated.

To ensure that the Department has adequate time to consider all written submissions, please have your comments emailed to Dalon K. Myricks at:
