“Mental Health Recovery is a personal journey of health and transformation.”

The colors of forest green and purple represent Recovery for those with mental illness. Green is the color of Spring – and of new beginnings and growth: Just like the plants in a forest, we all grow at our own speed and in our own way. The purple stands for hope and there is hope for all of us in our Recovery. Let these colors remind you to

Celebrate Recovery!

Ohio Department of Mental Health

The Ohio Department of Mental Health is an Equal Opportunity Employer and Provider

Office of Consumer & Recovery Supports

Our vision is for consumers to experience a world in which their hopes are achieved, their choices are honored, and their differences are valued. They feel respected and safe, living and working in the community and having a satisfying life.

Ohio | Department of Mental Health

Our Purpose

To collaborate with consumers, families, boards, agencies, statewide advocacy groups, state and national organizations and other ODMH offices to:

- Spread the word that recovery is possible for everyone
- Promote culturally competent services throughout the mental health system
- Assist with access to quality mental health services for all Ohioans
- Develop networks to bring together those who share a common interest or expertise in various mental health services
- Increase consumer and family participation in local and state committees working on mental health issues
- Help local communities make sure that every consumer has a safe home of their choice
- Help local communities make sure that every consumer who wants to work gets the opportunity to work
- Establish outreach programs to homeless mentally ill consumers
- Evaluate the mental health block grant application
- Advocate for consumer and family oriented mental health care
- Do outreach to consumer groups

OCRS Resources

- Advocacy
- Technical Assistance
- Information and Referral
- Training
- Consultation

Ohio Community Support Planning Council

The Planning Council works to enhance the recovery process and to improve the quality of life of people with mental illness in Ohio. Members also evaluate the mental health block grant application. For more information call (614) 466-0236.

Consumer and Family Partnership Team (CFPT)

The purpose of the Consumer and Family Partnership Team is to advocate for an increased and strengthened consumer and family voice with statewide and local mental health initiatives. For more information call (614) 466-4332.

The ODMH Toll-Free Bridge

The Toll-Free Bridge provides information and referral to mental health services and organizations statewide and serves as a single point of entry to the Ohio Department of Mental Health for consumer and family complaints, grievances, and appeals.
