

System Finance Principles & Process Team

<p>PROJECT MISSION: (this may later be revised by the team) Establish a process for working with constituents to develop a sustainable financing model for the behavioral health system based upon an agreed upon set of principles which support a consumer-centric system.</p>	
<p>GUIDANCE TEAM (TEAM SPONSOR):(the individual(s) who own the existing process and have the authority to approve changes) MOU Steering Committee</p>	
<p>BACKGROUND: (strategic importance, what has been happening, importance to the customer) The existing models for financing the behavioral health system do not necessarily reflect a focus on consumer needs and choices nor do they reflect current system structure (community rather than institutionally based).</p>	
<p>BOUNDARIES: (limits on scope of process change allowable as defined by the team sponsor – authority to pilot improvements/or just recommend, legal restrictions, budget, etc.) This team is limited in scope to making specific recommendations to the MOU Steering Committee. If requested this team will assist in implementation of the recommendations.</p>	
<p>WHAT THE TEAM HAS THE AUTHORITY TO DO: Develop principles and recommendations for updating the system financing models which take into consideration consumer access, choice and need.</p>	
<p>ESTIMATED DATE FOR COMPLETION: July, 2008</p>	<p>MEETING FREQUENCY & DURATION: To be determined by team.</p>
